Since the year 1948, Adventist church Najjanankumbi stands as one of the oldest Adventist fellowships in Uganda. Our beginnings are very humble and the story begins with an evangelist meeting Held by Pr. Weiland, a Scandinavian Missionary, in 1948 in Kibuye, Kampala City.

## WEEKLY BULLETIN

We exist as a fellowship for all people who are interested in meeting their God through prayer. A place where your Christian life can be nurtured through in-depth study of God's word and vibrant worship services. We are so privileged to fellowship with over 800 **members from different kindred, language and culture whose diversity benefits the church body in all aspects of Human Life.**

## our MISSION

The mission of the Seventh-day Adventist Church is to make disciples of Jesus Christ who live as his loving witnesses and proclaim to all people the everlasting gospel of the Three Angels' message in preparation for His soon return (Matt 28:18-20, Acts 1:8, Rev 14:6-12)

# KEY THOUGHT

*Further thought*

A

“The church of Christ, enfeebled, defective as she may appear, is the one object on earth upon which he bestows in a special sense his love and his regard. The church is the theatre of his grace, in which he delights in making experiments of his mercy on human hearts. The Holy Spirit is **His representative, and it works to effect transformations so** wonderful that angels look upon them with astonishment and joy. Heaven is full of rejoicing when the members of the human family are seen to be full of compassion for one another, loving one another as Christ has loved them. The church is God’s fortress, His city of refuge, which He holds in a revolted world.”

The Ellen G. White 1888 Materials, p. 1554.1
